The ARL Annual Rental Living Conference brings together 400+ senior professionals from across the Build to Rent ecosystem, offering direct access to the sector's most influential decisionmakers and contributors. For exhibitors, this offers a unique opportunity to engage with all the right contacts in one room.

The ARL attracts a highly curated audience of senior professionals, including:

- Developers and asset owners
- Institutional and private investors
- Operators and asset managers
- Architects, interior designers, and placemakers
- Property funds, financiers, and legal advisors
- Technology and innovation leaders
- Local authorities, regulators, and industry bodies

WHY EXHIBIT

The ARL Annual Conference is one of the most influential gatherings in the BTR ecosystem, bringing together decision-makers who actively shape, fund, design, build, operate, and scale rental-led residential developments.

Exhibiting at the ARL 2026 Annual Conference places your brand at the centre of the conversation, where innovation meets investment, and where partnerships are formed long before procurement decisions are made.

This is not a trade show driven by foot traffic alone — it is a high-value networking and dealflow environment designed to connect solution providers directly with the people driving BTR growth.

WHY THE ARL ANNUAL CONFERENCE IS DIFFERENT FOR EXHIBITORS

Unlike traditional expos, the ARL Annual Conference is designed around conversation, connection, and commercial relevance.

As an exhibitor, you benefit from:

Direct Access to Decision-Makers

ARL attendees attend with intent — to learn, benchmark, and source partners. Exhibitors are positioned as solution providers, not background noise.

Brand Positioning Within the BTR Ecosystem

Your brand is showcased alongside industry leaders, reinforcing credibility and relevance within the rapidly evolving BTR sector.

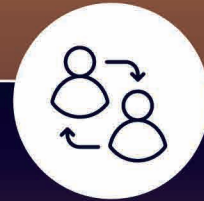

High-Quality Lead Generation

Meaningful, qualified conversation replace cold leads. The ARL delivers fewer but better connections that convert into long-term relationships.

Thought Leadership by Association

Being present at ARL signals that your brand understands the future of living, rental communities, and property innovation.

Relationship Building, Not Just Visibility

The ARL's format encourages dialogue — before, during, and after the conference — giving exhibitors space to build trust, not just awareness.

EXHIBITOR PACKAGES

These exhibitor packages serve as a guide to the options available. Bespoke packages can be tailored to suit your organisation's specific needs and objectives. Custom stand builds must be liaised with the ARL in advance for health and safety reasons.
